

A Parent's Guide to Schoology

Welcome to Schoology! Below you will find an explanation of the different areas of your Schoology account. This guide is intended to help you learn how to navigate around Schoology. For more in-depth guidance on specific Schoology features, check out our Help Center at support.schoology.com. You can find our online Parents Guide on the KCSD Connect Dashboard at <http://connect.kcsd.org>.

What Is Schoology?

Teachers use Schoology to post their classroom materials online; provide a safe forum for students to discuss their ideas and collaborate on projects; and to assign and collect homework electronically. It helps students stay organized and it keeps the class connected.

A Schoology Parent Account gives you access to:

- **The classes your child is enrolled in.**
- **Your child's upcoming assignments.**
- **School and class announcements.**

Schoology makes it easy for parents to stay involved in their children's education.

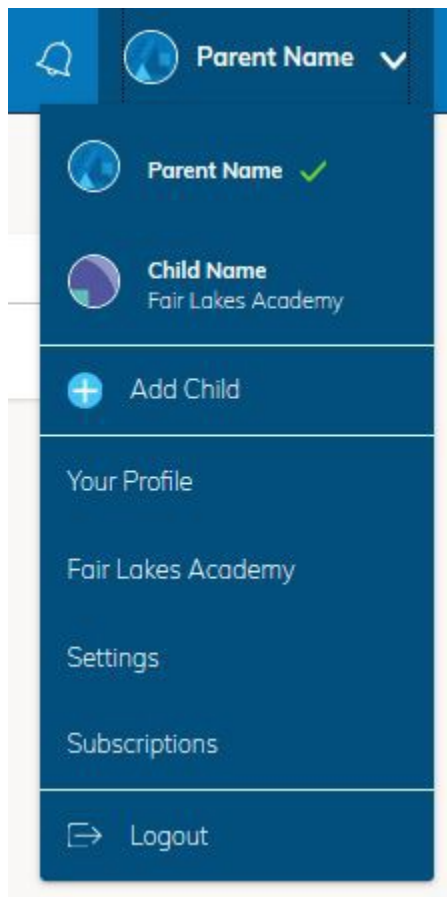

Setting Up Your Account

Having a Parent account in Schoology is actually like having two accounts:

- 1. Your personal account, with your own name and information;**
- 2. Your Child Activity view. From here, you can view Schoology from your child's perspective, and see what he or she sees, and receive updates about his or her activity.**

The first time you log into Schoology, you may want to set up some of your account settings to make sure you get the most out of Schoology.

Start by clicking on the arrow in the upper-right corner, next to your name, and then select your child's name to switch into his or her account. The check mark in this drop-down menu indicates which account you are currently in.

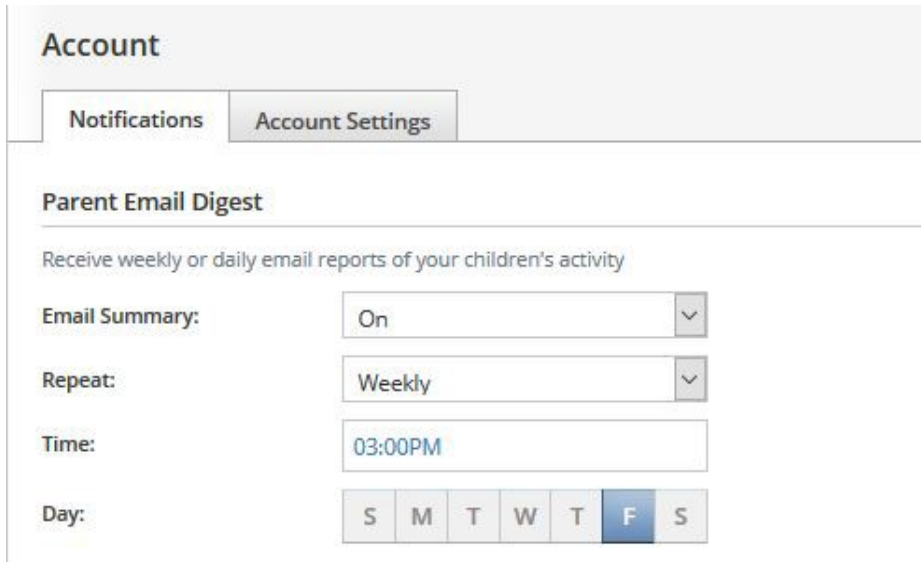

Notifications

To set up your notifications: Click Settings from the drop-down menu in the upper right hand corner. From the account settings area, click into the Notifications tab.

Follow these steps in your own account to configure your own settings. Follow these steps in your child view to control how Schoolology contacts you about your child's school activities.

Setting Up Your Parent Email Digest

The Schoolology Parent Email Digest is a brief summary of your child's activities delivered right to your inbox. Here, you can opt to receive it on a daily or weekly basis.

The screenshot shows the 'Account' settings page with the 'Notifications' tab selected. Under the 'Parent Email Digest' section, there are four settings: 'Email Summary' is set to 'On', 'Repeat' is set to 'Weekly', 'Time' is set to '03:00PM', and 'Day' is set to 'F' (Friday).

A Parent Email Digest contains information such as courses your child is enrolled in as well as overdue and upcoming assignments. Please be aware that although some teachers may sync grades from Schoolology to Skyward, you should always refer to Skyward for your child's grades and attendance reports.

Messages & Notifications

When you are in your own Schoolology account (not your child's), icons for your own calendar, messages, connections and notifications display in the top navigation bar, on the right.
