

BYOT

STEPS for STUDENTS

1. Have a parent/guardian review & sign the [BYOT Permission Form](#), and return to teacher.
2. Complete the Online Registration Form below.
3. Login to the KCSD wifi network using your District Username & Password.

Reminders

- Students must abide by the AUP and utilize the KCSD wifi network while on their own devices, using their district login to access
- Printing directly to the regionalized copiers from a personal device is not an option with personal devices, however students can login and print from a USB
- The District is not responsible, nor does it support personal devices, including installing software or troubleshooting issues

STEPS for KCSD STAFF

1. Complete the Online Registration Form below.
2. Login to the KCSD wifi network using your District Username & Password.

STEPS for Non-District Employees

1. Complete the Online Registration Form below.
2. Contact KCSD Tech Department or Building Administrative Assistant for Login Credentials.
3. Login to the KCSD wifi network using the credentials provided.
